## ABOUT ME

Born and raised in Dallas, Texas. Graduated from Duncanville High School and The Art Institute of Dallas. I have been in Broadcast Design and freelancing for the past 10 plus years. Working everyday to improve my skill set and succeed, winning several awards has shown me that I have what it takes.

Very laid back person, easy to get along with, works well with others and also by myself. Like to collect old coins, anything old really. Well-rounded individual.
